

St. XAVIER'S CATHOLIC COLLEGE OF ENGINEERING
SEED MONEY FOR STUDENT'S PROJECT – CIRCULAR
Student Seed Money Scheme – 2026

The St Xavier's Centre for Research & Development (SXCFRD) is pleased to announce the launch of the **Student Seed Money Scheme (SSMS)** to promote innovation, prototype development, and entrepreneurial research among undergraduate students.

This scheme aims to:

- Encourage innovative problem-solving
- Support prototype and proof-of-concept development
- Promote patent filing and product development
- Facilitate startup incubation
- Strengthen institutional research culture

Eligibility

- Open to all UG Students
- Individual or team (Max 4 students)
- Must have a Faculty Supervisor
- Interdisciplinary teams encouraged

Funding Support

- **Total Grant: ₹10,000 per project**
- **Released in two installments:**
 - ₹5,000 – After initial approval
 - ₹5,000 – After satisfactory progress review
- Prototype-based projects preferred
- Project Duration : Maximum 6 Months

Expected Outcomes

- Functional prototype
- Technical report
- Patent filing (if applicable)
- Conference/Journal publication
- Participation in innovation competitions
