INDEPENDENT AUDITOR'S REPORT

To the Members of St.Xavier`S Catholic College Of Engineering,Chunkankadai,Nagercoil
Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **St.Xavier`S Catholic College Of Engineering,Chunkankadai,Nagercoil** ("the entity"), which comprise the Receipt and Payment Account, Income and Expenditure Account, Balance Sheet, and the Significant Accounting Policies, for the year ended **31/03/2025** and a summary of other explanatory information(hereinafter referred to as "the financial statements").

In our opinion, the accompanying financial statements, prepared on a **cash basis of accounting** as described in the significant accounting policies, present a true and fair view of the state of affairs of the Entity as at **March 31, 2025**, and of the Surplus of income over expenditure and its cash flows for the year then ended, in accordance with the accounting principles generally accepted in India including the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI).

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (ICAI). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

As disclosed in the significant accounting policies section, the entity has adopted the cash basis of accounting, which records only cash receipts and payments, and excludes non-cash transactions such as accounts receivable, accounts payable, and accruals. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibility for the Financial Statements

The management is responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Place : Marthandam,
Date : 31/07/2025.

SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Preparation of Financial Statements

The financial statements have been prepared on the cash basis of accounting, where income is recognized when received and expenses are recognized when paid. The statements are prepared under the historical cost convention, in accordance with applicable laws, trust deed/bylaws, and practices generally accepted for non-corporate entities in India.

2. Use of Estimates

Since the entity follows the cash basis of accounting, use of estimates is minimal. However, where applicable (e.g. asset valuation), estimates and judgments are made based on the best available information.

3. Revenue Recognition

Income is recognized when actually received during the year. This includes receipts from donations, grants, subscriptions, fees, and interest income. Income due but not received is not accounted for.

4. Grants and Donations

- **Specific purpose grants** and donations are recognized as income upon actual receipt and disclosed separately if mandated by donor conditions.
- **General donations** are recognized as income when received and utilized in accordance with the objectives of the entity.

5. Fixed Assets

Fixed assets are recorded at historical cost including all incidental expenses incurred to bring the asset to usable condition. Expenditure on acquisition of fixed assets is accounted for as an expense in the year of payment and capitalized separately in the asset register.

7. Inventories

Inventories, if any, are expensed in the year of purchase. No year-end stock valuation is carried out unless required by donor stipulations or management policies.

8. Employee Benefits

Salaries and other benefits are accounted for on a cash-paid basis. No provision is made for unpaid salaries, leave encashment, or retirement benefits unless actually paid.

9. Cash and Bank Balances

Cash and bank balances include actual balances as on the balance sheet date, as per the books of accounts and bank statements.

10. Provisions and Contingent Liabilities

Provisions and contingent liabilities are not recognized under cash basis unless a payment has been made. Disclosures may be made separately in notes for transparency, if material.
