ADMISSION POLICY & PROCEDURE 2025

St. Xavier's Catholic College of Engineering

Admission Policy-2024

Preamble

St. Xavier's Catholic College of Engineering (SXCCE) was established with the vision of 'Towards Developing a Technically Empowered Humane Society' by offering cutting edge technical and managerial education to the rural youth of Tamil Nadu and beyond. This is being realized by offering admissions to the eligible students irrespective of social, cultural, religious, economic and gender considerations.

SXCCE offers seven undergraduate programs and six postgraduate programs in engineering, postgraduate programs in management and computer applications. This Institution has eight recognized research centres offering Ph.D. programs.

Standard procedures and guidelines pertained to a self-financing minority institution given by AICTE, UGC, DOTE and Anna University are being followed in the admission process to admit the students in management and government quota. The Institute offers various scholarships to the deserving poor and meritorious students and facilitates other scholarships to the eligible students from the government in order that they pursue the course successfully.

Background

SXCCE intends to educate the rural youth to become top class professionals and technocrats by providing vibrant academic experience of learning, research and innovation and stimulating opportunities to develop them with personal maturity and professional skills. Being an Institute of eminence in technical education, SXCCE inspires passionate students of varied region of India to pursue their engineering and management education. Clear and transparent policy guidelines are being followed in the process of admissions.

Purpose/Objective

The purpose of this policy is,

- to enumerate the policies and guidelines for the admissions to various UG and PG programs at SXCCE
- to make all the students, parents, and other stakeholders aware of the admission process and various schemes of scholarships available to support the students in academics

Scope of the Policy

- The policy is applicable to those students who seeks admission to Undergraduate or Postgraduate Program in Engineering/ Management/ Computer Applications
- This policy will be in action until there is a change in vision and mission of the Institute or change in the guidelines of the regulatory bodies

Policy

The St. Xavier's Catholic College of Engineering is committed to ensure its admissions, accessible to diverse range of prospective students irrespective of social, cultural, religious, economic and gender considerations and make them graduate successfully by offering different facilitative schemes.

The admission policy complies with relevant regulations given by AICTE, UGC, DOTE and Anna University.

SXCCE practices a transparent procedure in the admission process easily accessible for applicants and public. All the information is published on media and Institute website and updated regularly.
